

SHELLY ACRES SWIM CLUB

Since 1963, the Shelly Acres Swim Club has provided the community a safe, family-friendly location for hours of fun and recreation. Located at 1002 Twins Lane in Mansfield, we are a 25-meter heated pool with a kiddie pool, volleyball area and picnic area. The pool serves an average of 200 families each summer and is looking for community sponsors. Proceeds to be used for general maintenance and repairs.
